Recommendation

Rate the intellectual merit of the student’s proposed research or creative activity.

Rate the broader impacts of the student’s proposed research or creative activity.

Rate the likelihood of the student’s successful completion of the proposed research or creative activity.

Rate the usefulness of the proposed research or creative activity in advancing/enhancing the student’s academic achievement.

Additional comments:

Please provide a paragraph explaining why you believe this student should get a UROP award for this project. You may include any additional comments you have in response to the four questions above.
